Sir, the Continuance -/-

HE

From the Engineer Officer, City Impt. Trust Board
No 148 dated 27-1-45.

Recommends that Mr M Puttaswamy, Assistant Engineer, City Improvement Trust Board may be granted an enhanced Conveyance allowance of Rs 75/- per mensem, (instead of Rs 32/) in view of the high cost of maintenance of car and in view of his wider jurisdiction, etc.

1) It is stated that the Municipal Engineer, Bangalore City Municipality, is in receipt of a Conveyance allowance of Rs 75/- per mensem and this officer has jurisdiction over the civil Engineering works within the Municipal limits, including the original and maintenance works.

2) The jurisdiction of the Assistant Engineer, City Impt. Trust Board, Bangalore is perhaps confined to the Wilson Garden Extension and the Kumara Park Extension which is of a limited nature. The information in regard to the number of miles covered by the officer each day (average) for purpose of inspection seems necessary.

3) Also information regarding the conveyance allowance drawn by the Municipal Engineer in charge of drainage during 1944 may be obtained.

Sir,

Conveyance Allowance to Mr. H. Puttaswamy,
Assistant Engineer

I have the honour to state that in G.O.No.L.6572-4-ML 157-44-38 dated 4th January 1945 sanction is accorded to the grant of a permanent travelling allowance of Rs.32/- to Mr. H.Puttuswamy Assistant engineer, Bangalore City Improvement Trust Board. In the proposition statement submitted by me in this office No.28 dated 23/24th August 1944 provision is made for the grant of conveyance allowance of Rs.75/- to the Assistant Engineer taking into consideration the high cost of maintenance of a car in a City like Bangalore under present abnormal conditions of life. Further, the Municipal Engineer attached to the Bangalore City Municipality who is of the status of an Assistant Engineer in Public Works Department is all along given a conveyance allowance of Rs.75/- per mensem. The Assistant Engineer, Bangalore City Improvement Trust Board has definitely a wider itenerant jurisdiction and therefore the grant of the enhanced Conveyance Allowance of Rs. 75/- per mensem is fully justified.

In the circumstances, I request that sanction of Government may kindly be obtained for the grant of conveyance allowance of Rs.75/- as originally proposed by me from the date the Assistant Engineer joined duty here.

I have the honour to be,
Sir,

Letter No.148 dated 29-1-45 from the Special Officer, City Drainage Division, Bangalore to the Director of Public Health in Mysore, Bangalore.

Conveyance allowance to Mr. B.V.Vittal Murthy, Assistant Engineer, Drainage Division.

I have the honour to state that Mr. B.V.Vittalmurthy, Assistant Engineer attached to the Drainage Division has been in receipt of a -- conveyance allowance of Rs.50/- per mensem. But the Municipal Engineer attached to the Bangalore city Municipality has been allowed a C A. of Rs.75/- per mensem and he is of the status of an Assistant Engineer in P.W.D. The cost of maintenance of a car for the discharge of official duties in Bangalore City is increasingly heavy in these hard days and the itinerant jurisdiction of the Assistant Engineer, Drainage Division is no less than that of the Municipal Engineer, Bangalore City Municipality.

I therefore recommend that the Conveyance allowance attached to the post of Assistant Engineer, Drainage Division be raised to Rs.75/- and I request that Government may kindly be moved suitably in the matter.
